Event Code of Conduct
Kentucky Association of Mapping Professionals

The Kentucky Association of Mapping Professionals (KAMP) strives to create an environment for all professionals to learn and lead freely. Collaboration, creativity, innovation, and idea exchanges thrive when we are committed to facilitating a welcoming and respectful community for everyone. This Code of Conduct shares our association’s expectations and applies to all event attendees (members as well as non-members), exhibitors, speakers, instructors, sponsors, volunteers, and other participants.

MISSION

1. To foster an understanding and improve the management of geospatial information throughout the State of Kentucky in all levels of government, academia and the private sector.

2. To provide a mechanism for dialogue regarding geospatial information issues of concern and interest to all Kentucky professionals involved in the collection, processing, analysis, use and maintenance of geospatial information.

OUR ASSOCIATION

The Kentucky Association of Mapping Professionals was founded in 2003 as a non-profit organization dedicated to promoting the professionalism of those working with mapping. Our membership is over 220 active members in this our 15th year, including members working in the private sector as well as state, local and federal government. Membership is involved in surveying, GIS, cadastral mapping, consulting, utilities management, environmental, planning, software and hardware vendors and other disciplines.

KAMP AWARDS

KAMP presents several awards at the Kentucky GIS Conference each summer. Applications are submitted to the Awards committee. The committee makes recommendations to the KAMP board of directors, who approve the recipients.

Service to KAMP

This award is to recognize the person who has done the most for the betterment of the Kentucky Association Of Mapping Professionals. One award will be given each year.

Service to GIS / Mapping in Kentucky

This award is intended to honor an individual who has made significant contributions to mapping in the Commonwealth of Kentucky each year.

Exemplary System

This award is to recognize outstanding GIS or mapping programs in the state of Kentucky. One award will be presented each year. A program can only be awarded the ESA every five years.

KAMP NEWSLETTER

KAMP publishes a quarterly newsletter that is distributed through e-mail and published on the web site. There is news about the association, a calendar of events, social activities, a list of board members and committee chairs and their contact information. In each issue, there are several featured articles about the GIS, surveying and the mapping profession.
